

Acuario

Megalodón

Zoológico

Capibara

A vibrant, cartoon-style illustration of a safari scene. The background is a warm, golden-brown savanna with acacia trees and a bright sky. In the foreground, a wooden frame surrounds a large white sign. The word "Safari" is written in a bold, black, rounded font across the sign. To the left of the sign, a pair of blue binoculars hangs from the top wooden post. To the right, a giraffe's head and neck with brown spots peek over the top post. At the bottom right, a tan safari hat sits on the ground near some grey rocks and green grass. The overall scene is bright and cheerful, typical of a children's educational resource.
